

# TRANSFORMATION REPORT 2017

## PROJECT: CADDY LEAGUE

I would like to start this Report by thanking DCAS, SAGA & NOMADS for the Funds received during 2017. These Transformation & Development Funds contributed to the running expenses of the Southern Cape Caddie League, and allowed more players to compete.

Our Caddie League normally commences the month of May each year, and is run by the Southern Cape Transformation / Development Officer, Johan Erasmus.

The May start each year, is mainly due to the work commitment of the Caddies. December through to end of April is a busy time in our area with many visitors and yearly overseas "Swallows" spending 6 months in the Garden Route.

In our constant strive to improve we started to strictly monitor the number of players of each team that arrived at the games. This was very important as we wanted to have a more structured approach to the Caddie League. The following Golf Clubs participated during 2017:

1. Plettenberg Bay Country Club
2. Mossel Bay Golf Club
3. Fancourt Golf Estate
4. Knysna Golf Club
5. George Golf Club
6. Heidelberg Golf Club
7. Riversdale Golf Club

Each club is required to send a team of 8 players who compete against one another by playing in a Medal and Nett Competition with a Maximum Handicap Limit of 18. Normally the best (lowest) 6 Nett Scores of each team counts toward the team competition with the team scoring the lowest Nett Total winning on the day. For this system to be used, more than 5 League games are required. Due to the full Fixture List, and decrease in DCAS Funding, we could only play two Caddie League matches during 2017. Instead of the normal Team Competition, individual winners were announced. The Team competition of the Caddie League should return in 2018.

The following Golf Clubs hosted a League game during 2017:
