MONTHLY NEWSLETTER : APRIL 2019

President's Corner.....

A disappointing 60 Players for this month's competition, but as we are all aware, the Swallows are starting to return to warmer climates and Mossel Bay held Club Championships on 30th & 31st March.....lots of golf for those girls.

Once again we were extremely fortunate weather-wise!! It blew a gale and the skies looked threatening so we could have been windswept AND wet!!!

The excitement is building as Nationals draws ever closer. Registration takes place on 12th May and then there is 3 days of golf on the Vaal de Grace & Parys Golf Courses. I think we are in for chilly mornings and evenings, so I am sure the buffs will provide some much needed warmth ☺

Watch this space for what will hopefully be great results from the Southern Cape players and teams!!

No monthly fixture for May but I look forward to seeing you all at Pinnacle Point on 3rd June.

Cheers

Les Carriline
