PRESIDENTS CORNER

The garden route in April, playing golf at Plettenberg Bay, enjoying the camaraderie of many friends, it doesn't get much better, and if it does will someone please tell me how and where?

This time a big thank you goes to Elsabe Grey for organizing her first event since she has come on board the Seniors committee, well done Elsabe!

My best wishes go to any members who were under the weather, and not able to attend. I am really sorry to hear about Julia Read and her Husband who had a nasty MVA at the end of March, she sustained some serious injuries and I want her to know that we are all rooting for her and hope she will make a full recovery.

Special mention of our committee stalwart Magda Kaltenbrunn, who has been struggling for a long time with her back, which has sadly seen her sidelined. Magda we wish you the very best and hope that your pain will soon be resolved.

Nationals candidates are gearing up for what I hope will be a most enjoyable and memorable occasion, I am sorry I will not be able to attend, but I have asked Les Carrilline to represent me, and there is no better candidate for the job, so know that you will all be in good hands!

We will be sending all the candidates off at the next fixture in early May, so if there are any problems that need sorting out please contact your local Representative or myself timeously.

Best wishes and take care
Gloria
