PRESIDENT'S CORNER

Once again hello all you lovely senior golfers! What a pleasure to see so many of you at our George game this past week, and as always the George club did not disappoint, looking beautiful as ever. A BIG thank you to Michele for her impeccable arrangements, and of course our appreciation to the club management and staff for hosting our society in such a friendly way. The new caterer certainly pulled out all the stops, providing us with great welcoming snacks and a delicious light lunch. We hope they continue to excel in their endeavour.

I am happy to say that Marie Smith is recovering very well from back surgery, hopefully she will be back playing golf very soon.

My thoughts go out to Trish Leach who is ill and unable to return to golf. Trish has always been a golf legend, in my eyes, she is a true gentlewoman and a most remarkable golfer. We will certainly miss you a great deal Trish.

CALL BACK THE PAST

Trish sent me this photo of the inaugural Southern Cape Senior group who played the first championships at Fancourt in 1994

Some of the SC ladies identified are from top left:

Alison Brink, Gill Elliot, Shellagh Lord, Laura Bevan, Estelle Olivier, Gitta Tuschardt, Dottie Bird, Sherry Knudsen, Joe Marr, Liz Mudd, Trish Leach, Peggy Southey, Jean Tindall, Karen Marshall, Patty Robertson, & Molly McNally,

Perhaps you recognize a few more,
obviously not all Southern Cape, as
it was the **Inaugural Nationals**.

Sadly a number of these ladies have
since passed, but we remember
them fondly and appreciate what
they did for women's golf in SA

Magda Kaltenbrunn Honoured

Sadly Magda has had to hang up her golf bag due to a bad back. Magda has been actively involved in Southern Cape Seniors since 2007, hosting Nationals as President and contributing to the administrative affairs till today. Today we decided to bestow on her 'Honourary Life Membership' in recognition of her long and valuable contribution to our society
