SCORING	Scores were entered on an Xcel spread sheet and final scores were calculated by sorting the data.																				
TOURNAMENT COURSE DETAILS	The final course inspection was done by Steven Roos (green keeper), Laetitia Higgs, Rita Herholdt and Marie Smith. T box positions were marked, GUR markings checked and pin positions confirmed. The course was set up as a 70 stroke rating course for men and women. Preferred lies on any fairway one club length was applied for the championship, the Poa grass had died off thus causing rather large brown patches on some of the fairways.

PRIZES	Retail vouchers for all divisions.
SUMMARY	This championship is growing in popularity and the format of betterball medal and foursomes is proving to be challenging but enjoyable. The introduction of the senior's prize category was successful as there were 34 pairs from the total entries who qualified for the seniors division.
CHALLENGES	There was a backlog in the foursomes' field in the afternoon that the SCWGA will discuss at their next executive meeting. The score card of MBGC proved to be difficult to enter the necessary scores and printing of the score card inners for this event to be discussed at executive level.

Provisional date and venue for 2016 - 24 January 2016 venue to be sourced.
