JULY Newsletter

PRESIDENTS CORNER

Did I say winter had arrived in the last newsletter??

Well I was mistaken, as we had plenty of delightfully warm days in June, but having just passed the winter solstice I think we now need to get out the winter woolies, light the home fires and don't forget the OBS

We had a great field of **60** lovely ladies at Pezula after almost a 2 month break, and having said I was concerned about the cold, it turned out to be a simply superb day. I have reports that some stripping of warm undergarments went on!

As always we were very well looked after in every respect by Ashley and his Pezula team, and I think it safe to say that everyone had a really enjoyable day.

We all missed Magda Kaltenbrunn and Michele Emmerson, both committee members still recovering from surgery and we wish them all the best, hope to see you both again soon.

Julia Read is also still in recovery and we keep her in our thoughts

On a sadder note, we are losing one of our very old members, Sheila Fraser, who is leaving to return to the UK. Sheila we appreciate all you have done for golf in the Southern Cape and wish you the very best in your 'other' home, please know that you will be missed.

As mentioned before, we are still unable to get union shirts, but have been assured that they will become available in September (this year I hope!) I have tried sourcing elsewhere, but cannot get the exact colour and fabric, so thought it best we hang tight...so please be patient

**Keep warm and
don't forget the
OBS!**

**Yours in golf
Gloria**
