

SOUTHERN CAPE SENIOR WOMEN'S GOLF SOCIETY

MONTHLY NEWSLETTER : OCTOBER 2020

President's Corner.....

Hi all,

It was a great pleasure to welcome you all back to Seniors golf, 53 Players (including new members) at George on 5 October.

After the terrible weekend weather, we were treated to an absolutely beautiful Garden Route day. The Course was not as wet as we had anticipated and the opportunity to get out onto a golf course, play the game we love so much & socialise with friends after 7 months of NO senior golf was very special indeed!!

We are going ahead with our final fixture, the Championships on 2nd November at Goose Valley (the Poster & entry information for this event has been sent out). The AGM will follow the golf. All notices pertaining to this meeting will be emailed to you shortly. PLEASE read through the documentation as it will save time at the Meeting as the Minutes of 2019 AGM may be taken as read!

The 20 players, who should have gone to KZN Nationals this year, automatically qualify for next year's Event. There will be an HI cut off for the Nationals. At this stage, I do not know what this HI is, but please be warned – should your HI be in excess of this cut off by the Closing Date for entries, you will not be eligible for selection.....so off to the Driving range!

Hope to see you all at Goose Valley in November 😊

Wear your masks. Stay safe.

Regards

Les Carrline
